

Technical specifications

The ball

Colours	Silver, Yellow, Red, Blue, White, Black.
Power	60 Watt Class D
Shape	Abs enclosure conceived to compliment the drop, the Minipod or the Micropod SE
Voltage	100-240 VAC
LED light	Power on, standby, mute
Inputs	Stereo RCA Jack
Drive unit	6 ½" long throw – 4 layer woofer
Frequency	minus 3 dB at 48 Hz, minus 6 db at 40 Hz.
Input sensitivity	Input @ 100Hz 200mVrms; 1.5% @ rate power
S/N (rated power)	>70dB
THD	<0.3% @ 1 Watt, 1.5% @ rate power output
Functions	Cross-over frequency adjust range 40Hz to 140Hz variable, phase: 0dg or 180dg (switchable), digital volume control (360 dg type)
Remote control	Volume, mute, on/off
Protections	hort-circuit protection, over current protection, over temperature protection
Dimensions	With spikes Width: 320mm Height: 220mm Depth: 320mm
